**Confirmation – ISO and EN**

We herewith confirm that Georg Fischer PE fittings are designed and produced to fully comply with the requirements of the European standards.

EN ISO 15494	Plastics piping systems for industrial applications
EN 12201	Plastic piping systems for water supply
EN 1555	Plastic piping systems for gas supply

These standards are world-wide accepted and are the basis for our international authorisations and approvals for several countries and approval institutes like DVGW, DS, GASTEC, SVGW, ÖVGW, IIP.

The testing according to these standards are done partly in external laboratories and in the Georg Fischer owned laboratory, accredited according to ISO/IEC 17025.

All processes are covered by the Georg Fischer management system which meets the standards ISO9001 and ISO14001, certified by SQS.
